PRESTIGE SUPER SOYMEAL

Best Indian Quality, The World Prefers

The Prestige Super Soymeal has carved a niche for itself in the global arena with its consistently superior quality. The Prestige Super Soymeal is being extensively used as an essential ingredient in the manufacture of animal feeds. It also constitutes as the major part of poultry & livestock feed.

Prestige Super Soymeal is available in Bulk as well as in Jute/PP Bags. Prestige Super Soymeal is exported to more than 40 countries out of India. Prestige Foods Limited and Prestige Feed Mills Limited are one of the leading exporters of Indian Soybean Meal worldwide. Prestige Super Soymeal because of its quality consistency, richer in protein content, is always preferred over other meals.
